**PPHA 39404: Practicum on Inequality, Household Finance, and Tax Policy**

**Instructor:** Damon Jones  
**Meeting Time:** Tuesdays, 5:00p-7:50p  
**Office Hours:** Mondays, 4:00p-5:00p (or by appointment)

**Teaching Assistants:** Iris Chung, Kamran Ahmed  
**Office Hours:** by appointment

**Service Requirement:** One 3-4 hour tax preparation shift per week, for 6 weeks

**Course Objective:** The first component of this course will feature seminar discussions of inequality in the US, with respect to class, gender, and race, and how these interact with US tax policy. We will have a focus on income transfers to low-income households such as the Earned Income Tax Credit. We will also review current policy topics in Household Finance, the study of how households save, borrow, and/or use insurance to overcome unexpected changes in household income. In addition, we will discuss the process of filing tax returns, the prevalence of income tax refunds, and the various industries, both non-profit and for-profit, that have arisen around this phenomenon.

Next, students will go into the field, and work as volunteer tax preparers for a local, Chicago non-profit, Ladder Up. Students will be trained as tax preparers (which requires completing a training course), learn how these services are delivered, and will also learn about the various social goals and public benefits that are often coupled with this process. Tax season begins in late January, and the students will volunteer weekly for about 6 weeks, until the end of the quarter. Students are encouraged, though not required, to continue to volunteer until the end of the tax season, April 15th.

Finally, students will produce a final project as a part of a group project.

**COVID-19 Updates:** The University of Chicago has transitioned to a mask-optional policy, but currently the UChicago forward website states: “The University is recommending that individuals wear a mask in indoor settings when others are present.” Please take this into consideration both in class and when volunteering.

This course counts towards both the Finance & Policy Certificate and the Markets & Regulation Certificate.

**Course Requirements and Grading:** Grades will be based on class participation, homework assignments, a group assignment, and volunteer tax preparation requirements.
1. Tax Preparation Volunteer training (10%)
2. Weekly volunteer shifts with Ladder Up (40%)
3. Weekly reading/reflection assignments (16%)
4. Lectures and discussion participation (5%)
5. Three (4) writing assignments (9%)
6. Final group project (20%)

**Schedule:** Lecture will meet on Mondays from 5:00pm – 7:50pm. Volunteer tax schedules will differ across student groups.

**Homework:** Homework will involve short written pieces in response to assigned readings and reflecting on the service-learning experience; three longer writing assignments; and a final group project.
